

1-2-3 VOTE

How To Use South Carolina's Voting System

1 ACTIVATE BALLOT

A poll worker will activate your ballot by inserting a Personal Electronic Ballot (PEB) device into the appropriate slot.

2 SELECT YOUR CANDIDATE

To select a candidate, touch the candidate's name. The touch screen system prevents you from voting for more candidates for a single office than is allowed.

To enter a write-in candidate touch the **WRITE-IN BOX**. A keyboard will appear. Enter your candidate's name and touch **ACCEPT**. Your candidate's name will appear on the ballot.

Touch

to proceed through the ballot

Or touch
BACK
to return to a previous page

3 REVIEW YOUR BALLOT

After completing the last ballot page, touch **REVIEW** and read over your selections carefully.

To **CHANGE** a selection, touch the box next to your original candidate to deselect, and then touch the box next to your new selection.

VOTE

1. Press **EITHER** the flashing **RED VOTE** button at the top of the machine, or the flashing **GREEN CHECK** box on the screen.

2. Press **CONFIRM** to record your vote.

This completes the voting process.

How To Use South Carolina's Voting System

Electronic touch screen voting technology is at your fingertips.

South Carolina's Voting System

Easy to Use

- ◉ To vote, simply touch the screen.
- ◉ Accessible voting machines feature an audio ballot, headphones and Braille-embossed buttons for voters who are blind or visually impaired. Machine portability enables curbside and tabletop voting.

Accurate

- ◉ The touch screen voting system allows you to review your ballot and to make changes.
- ◉ The touch screen voting system prevents you from voting for more candidates for a single office than is allowed.

Secure

- ◉ The touch screen voting system is not connected to a computer network or the Internet, preventing any hacking or manipulation of your votes.
- ◉ In the case of an election recount, the entire election process can be replicated, including the production of all ballots for re-verification.
- ◉ Three independent memory locations ensure no votes will be lost or altered.

Fast

- ◉ Because it's easy to use, the touch screen voting system will help voters move more quickly through the ballot and through the poll line.
